DEDICATION

How shall the thinking man, in this, our cruel day, resolve the impossible dilemma that weighs on him? Is he to abandon his reason, and add his voice to the unlovely cries that are raised against Russia in many quarters of the West, — the cries of blind and stupid hatred? Or should he do violence to his moral sense, close his eyes to the Russian carnage, put out of mind the immeasurable inhumanity? Which way shall a man turn? Neither way. He must stand alone, like you.

Yes, you, József Mindszenty, Christ-figure in our day. With neither diminution of love nor delusion as to the evil which they symbolize, you have stood before your enemies and borne their sacrilegious injuries after the manner of Christ Himself.

“Perform a wonder,” His persecutors said, “and we shall believe and you shall go free.” Christ rejected the challenge because he saw the evil of their minds. You, too, were tempted by your captors. They offered generous concessions if you would but declare your satisfaction with your treatment as a prisoner. But with a vision that could not be diverted by fair prospects of compromise, you understood that your captivity was a symbol of the vast evil which seeks to enthrall mankind, and you knew that your captivity must be denounced unconditionally.

But the love you have for your enemies is also unconditional. Eight years of imprisonment, eight years of separation from the flock which you were born to tend: yet you love the killers of your lambs and the torturers of the shepherd as much as you love the lambs themselves.

That is the great Christian paradox: in the same man, a love that is beyond the power of human imagination to encompass, and an enmity for evil that is absolute, untiring and uncompromising.

In you, József Cardinal Mindszenty, the Christian paradox has once again found its embodiment. You are the modern Christ-figure. You have brought an end to the bewilderment of our minds in this, our cruel day. You have deserved well of our gratitude.

LOYOLA COLLEGE

EDITORIAL

The 1956-57 academic year will be well remembered by Loyola students for two main reasons. For one thing, football was temporarily suspended. How long this period of inactivity in gridiron competition will last, remains to be seen. However, it is our personal belief that before long, the Maroon and White colours of Loyola, will be flashing on the green turf.

The vacuum that the loss of football created, was more than filled by the inauguration of the Winter Carnival. The spirit and the zest, which the students manifested in this undertaking, was most heartening. The success that it was, is due to the fine co-operation of the student body.

Along with these two changes, has come another innovation — namely, a new format for the Review. Three major changes in this year's edition may be noted. First, a new style of cover has been introduced. Secondly, the text has been minimized and in its place, more pictures have been used. Finally, coloured separators have been devised with the hope that they will add a little flavour to the book.

The Review has attempted to give a clear and concise picture of activities at Loyola during the past year. We sincerely hope that we have succeeded. If we have succeeded to any extent, then it is due solely to you, the students of Loyola College. The editor takes full responsibility for any errors or omissions that might have been committed in the compiling of this text.

The College Offers

1. **Arts courses** leading to the degree of Bachelor of Arts, with special modifications to meet pre-Medical and pre-Dental requirements.
2. **Honour Science courses** in Chemistry, Physics and Mathematics leading to the degree of Honour B.Sc.

4. **Engineering courses** leading to the degree of Bachelor of Science and eligibility to enter the Third Year of their chosen branch of Engineering at McGill University.
5. **Commerce courses** leading to the degree of Bachelor of Commerce.
6. **The College also** offers a two year course which fulfils the requirements of pre-Dentistry.

RELIGION

Religion is an essential part of life at Loyola as it is in life in general. Students are required to fulfil their religious obligations regularly, and to make annually a spiritual retreat of three days. The Sodality of Our Lady is a spiritual organization of students for the fostering of piety. Religion is also an integral part of the curriculum. Being definite and certain like any other truth, it can be taught, and is taught at Loyola.

PHILOSOPHY

Without sound philosophy there is neither intellectual security nor intellectual maturity. Scholastic Philosophy, the wisdom of the ages, is sound, mature and intelligible. It does no violence to Faith, to Science, or to Common Sense. Every candidate for any degree at Loyola must complete successfully a series of courses in Scholastic Philosophy.

GEORGE COOK

*"There is one creed/neath no world-terrans wing.
Apples forget to grow on apple trees, there is one thing is

D'ARCY COULSON

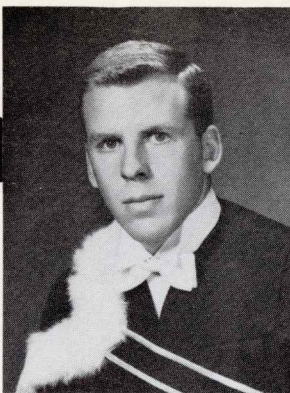

Arts General

"Ut mihi proficiat, ad salutem in vitam aeternum."

"Darce" had a method in his madness. Time and again during his sojourn at Loyola he had several red hot ideas only to find that his friends at first objected to them. Given a chance to point out his arguments he more often than not won his friends over to his way of thinking.

TERRENCE DINGLE

Arts General

"Have more than thou showest, speak less than thou knowest."

"Ding" did a great job of promoting the name of Dingle as his brother Paul did a few years before. Although very quiet in and around class, Terry was a terror on the gridiron and a terror on the ice. "Ding" will long be remembered in the sporting annals of Loyola.

ANDRE DURSO

"Titles are Tinsel, Power a corruptor, glory a bubble, and excessive wealth a label on its possessor."

Having been at Loyola for 8 years, "Big" André was always an asset when it came to floor hockey, football, basketball. He figured he's been on streetcars and buses for five months of his eight years in coming and going from Loyola. Man, he must have liked it.

FREDERICK ENOS

Arts General

"Poco a poco se va lejos."

Fred is a four year man who looked like a comer in the tennis world. He was a very active class member and could always be counted on doing a job well. He worried us this year because we feared he was in dire straits due to his not shaving for a couple of months.

ACTIVITIES: Sodality '53-'54; Arts Society '53-'54-'55; Intramurals: Tennis '53-'54-'55-'56, Football '53-'54-'55-'56, Hockey '54-'55-'56-'57, Basketball '54-'55, Floor Hockey '53-'54-'55.

BRIAN O'NEILL GALLERY

Arts General

"All the world's a stage, and all the men and women in it merely players."

A man of many years at Loyola, our "All-American" could certainly be called a great man for he surely makes others feel great. "Bo" has given us many a laugh, — whether it was organizing a date for "Daisy" or a raffle for "Daisy's" girl.

"Self trust is the Essence of Heroism."

After leaving Normal School three years ago, Phil entered the hallowed halls of Loyola where he became a very "Studious Student". There must be quite a few who like Loyola because Mike is another eight year man. One of his many qualities is that he always has cigarettes with him and that he would gladly give you one. Mike was never a "wild one" but always a gentleman.

The man of many languages — took Greek in the High School here — speaks English and French fluently, and with a little coaxing he can utter words of wisdom in Latin and Spanish. Bob's favourite subject, though, is History and for seven of eight years at Loyola could often be seen in the library plowing through the History text books.

"Resurrection, Madame," said the Phoenix, "is the simplest thing in the world: It is no more surprising to be born twice than once." (Voltaire)

Eric came to Loyola four years ago after winning the Province of Quebec Public Speaking Contest and carried on his speaking ability right through even to his Senior year where he almost caused a minor rebellion. Eric has been very prominent in dramatics and as a debator for the College and always appears as though he is enjoying life immensely.

"Corruptio Optimi Pessima."

"J.M." in his years at Loyola has kept everyone on their toes. Whether it was his fiery questions during lectures or catching his glasses (not to be confused with spectacles) J.M. has provided us with hearty laughs. He was also the most efficient secretary the C.S.R. has seen in a long time.

LEE BRIAN MADDEN

Arts General

ROBERT JAMES MULLINS

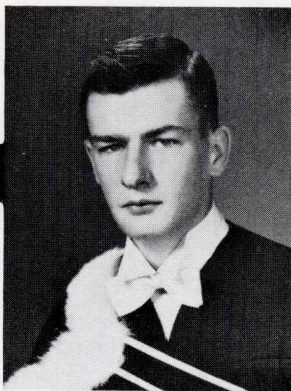

Arts General

"Veni, Vidi, Vici."

An eight year man at Loyola, Bob had such a good time with his date at his High School graduation dance, that he took the big step, last November, to insure himself of the same partner at his College graduation Dance. Truly, a diplomat.

JOHN GORDON O'BRIEN

Arts General

"Fear wish to evade as Love wish to pursue, or in this world Justice is a word not a fact."

Gord, after graduation will surely get the rights to his song, "Those Monday Morning Blues". Should he have to prove the existence of such a reality, we feel that he would prove a fine example, especially after one of those week-ends with the "senator".

ACTIVITIES: Sodality '52-'53-'54; Dramatics '52-'53; Arts Society '52-'53.

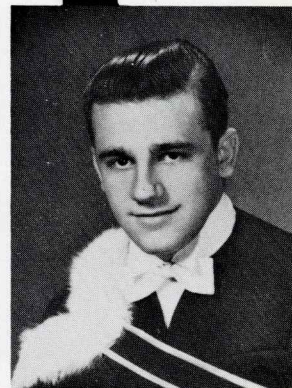

JOSEPH PELADEAU

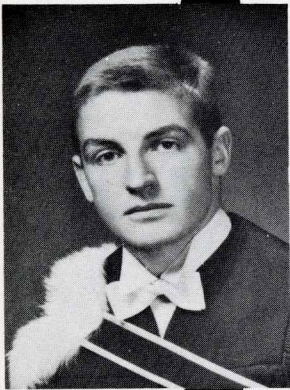

Arts General

JOSEPH POIRIER

Arts General

"We must look to the future, not to the past."

Joe is the man responsible for the establishment of "Survey Q3R" at Loyola. This is the formula on which many a student has depended in the month of May when things are tough. Joe's ambitions are leading him to the field of social work and, judging from the way he handles children, he will be a sure success.

ACTIVITIES: Varsity Football '54-'55; Bantam Football Coach '56-'57; Varsity Hockey '55-'56-'57; Junior Varsity Hockey Manager '55-'56; Varsity Basketball '54-'55; Intramurals: Basketball '54-'56-'57, Floor Hockey '54-'55, Curling '55-'56-'57, Tennis '56-'57, Swimming '55-'56-'57, Bowling '55-'56-'57; St. John Berchmans Society '55-'56-'57; L.C.A.A.: Vice-President '55-'56, Councillor '56-'57; I.A.C. Tony came to Loyola after having received his early education at D'Arcy McGee. For the last four years he has been energetically devoting all his efforts to preparing himself for a future medical career.

ELTON PRINCE

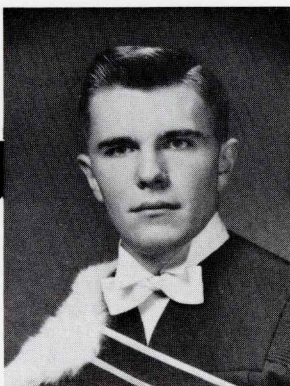

Arts Pre-Med

"Foris sed magis intus."

Tony has had but one desire ever since he came to Loyola — this ambition is to be a doctor. He is determined that nothing will get in his way to stop him. He had better watch out for those young lady friends of his — they might slow him down.

ACTIVITIES: Varsity Soccer '54-'55-'56; Intramural: Swimming '54-'55-'56-'57; Eight Year Man.

JOHN ST. ONGE

Arts General

*"My plenteous joys, wanton in fulness, seek to hide themselves
In drops of sorrow."*

PAUL SAUVE

Arts General

"They also serve who stand and wait."

Since his arrival at Loyola eight years ago Paul has held about every top position that a student can hold. It therefore was no surprise to anyone when the student body elected him as President of the C.S.R. in his final year at college. It was a well-earned honour.

ACTIVITIES: C.S.R. The official semi-monthly student newspaper, the Loyola News, is published by the staff members at the Monitor Publishing Company. Pictured top left is second term Editor-in-chief, Louis Zardo and composing department foreman "Henri" putting the finishing touches to the Thursday night set-up. In the bottom left picture, News Editor Walter Noe, discusses an assignment with staffer Pierre Beaulieu. The bottom right shot shows Circulation Manager Ernie Kockeritz proposing a new circulation system in the High School to Managing Editor, Garry Patterson.

The Review

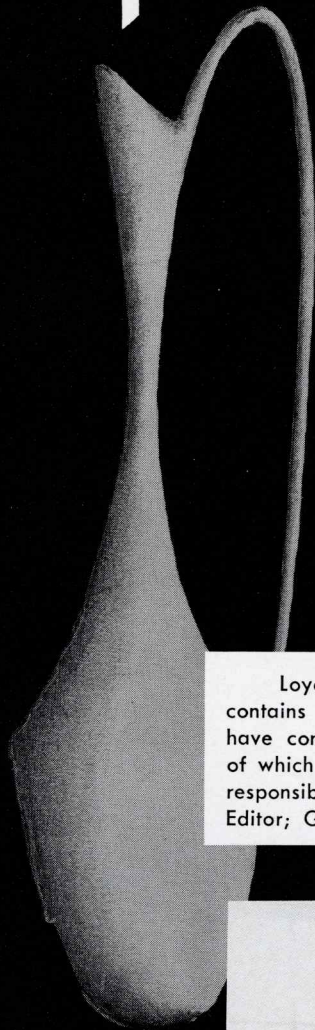

Each year, Loyola College publishes a yearbook which gives a pictorial resume of the various activities which took place during the school term. To the left are three members of the editorial board. Top — Larry Boyle, Editor-in-Chief; Howard Gibbs, Photo Editor; and John Little, the Review's Business Manager. In the bottom left picture, Caption Editors Gord McCarthy and Joe Poirier can be seen hard at work, while in the bottom right view Graduate Editor Don Whelan and Sports Editor Kev. Donovan seem to be engrossed in their "paper-work."

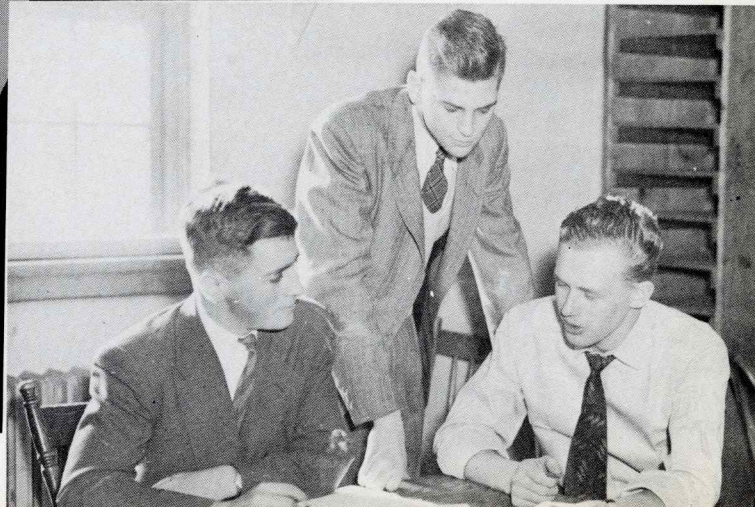

Amphora

AMPHORA

Loyola has a third publication called the Amphora which contains short stories, essays and poems which the students have contributed. This year's editors have produced a book of which they can be justly proud. Pictured here are the men responsible for the publication. (L. to R.) Hubert Senecal, Editor; Geoff. Charlebois, and Jef Frenken.

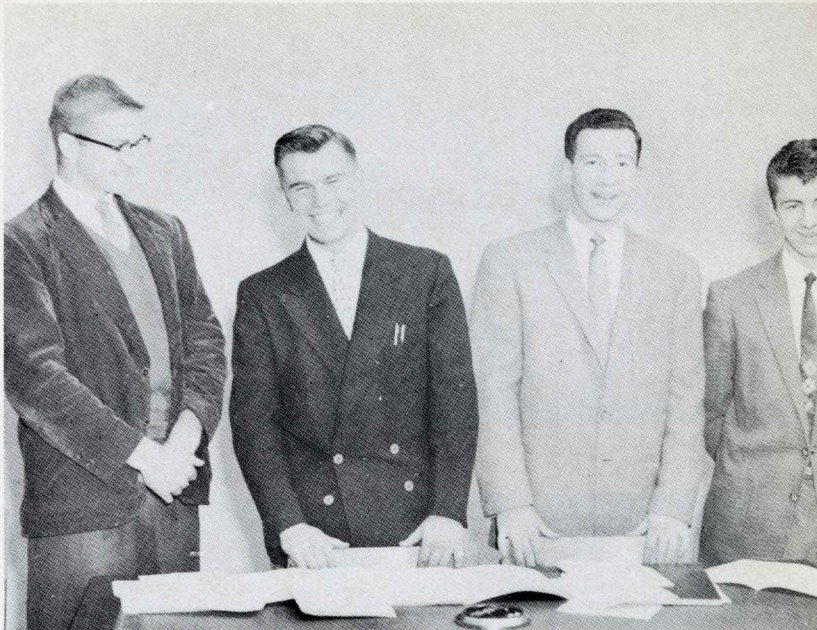

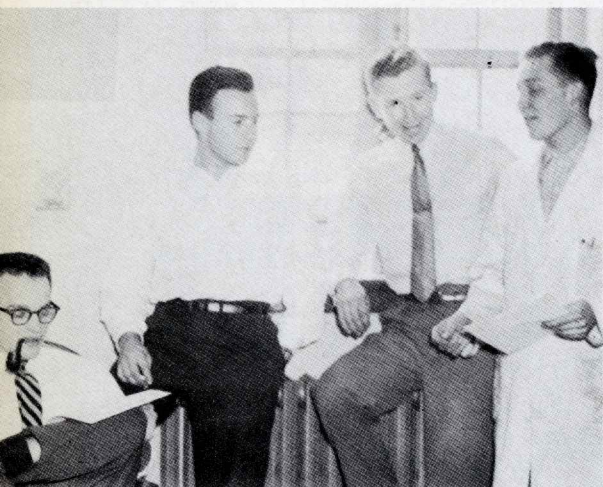

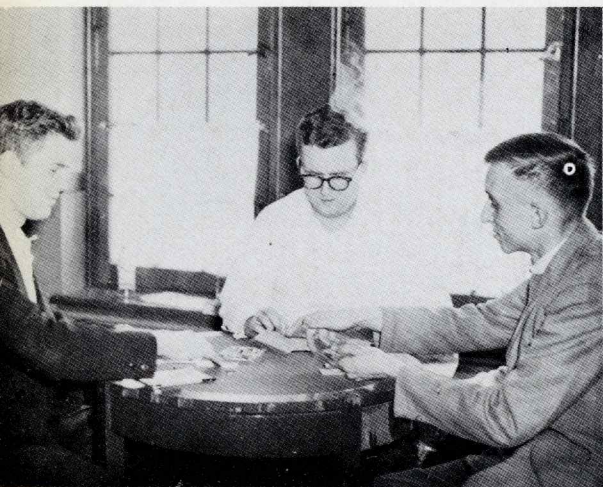

The Loyola Debating Society, open to all students, represents the college in the Inter-University Debating League and the Montreal Debating League. It also aims at fostering interest in debating in the College itself. Pictured above is the executive of the society. (L. to R.) Jean Marc Laporte, Peter Beemans, Don Weeren, Kevin Larkin and Geoff Charlebois.

To the left is a view of the Intramural Debating Champions — Ross Labrie and Bob Mullins.

Loyola Debating Society

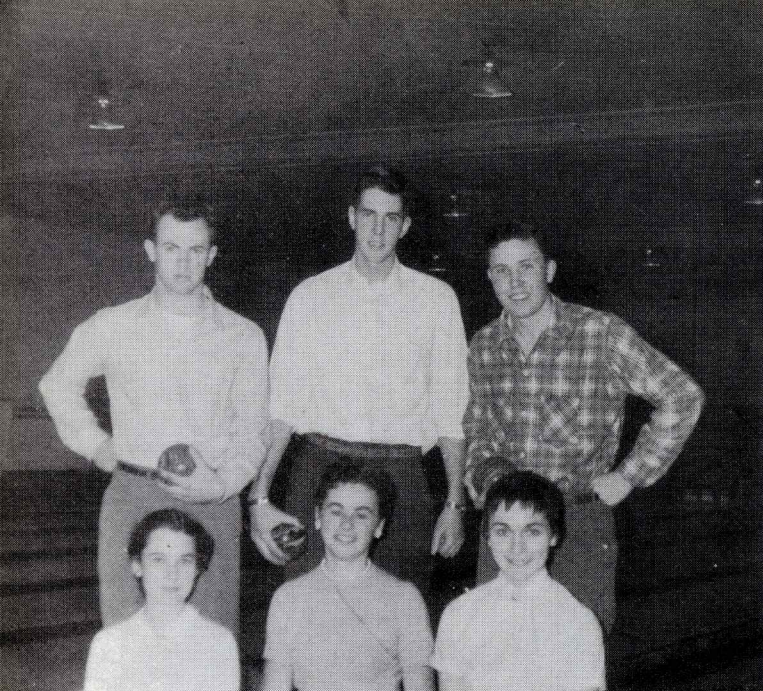

While they might grumble about the food, curfew, or getting up in the morning, the boarders of the school are one big happy family. In the top right picture, the Boarder's Club Executive pose for the Review cameraman. (L. to R.) Joe Poirier, John St. Onge, Gary Malone and Mike Sheehan. In the top left view Eric Bernier, Lorne Haney and Pierre Moreault take time out for a few hands of poker. In the bottom left picture Ron Lalande does not seem to be disturbed by the conversation of his fellow boarders Armand Villemaire, Kevin Smyth and Bill Pretsch. In the bottom right picture, Father Moylan (better known as "Pop" to the boarders) is seen talking things over with Joe Poirier.

Boarders' Club

Glee Club

Since its inception three years ago, the Glee Club has enjoyed a great deal of popularity amongst both students and audiences who have heard them. Pictured below is a group picture of its members (L. to R.) 1st Row — Bob O'Reilly (pianist) and Al. MacMillan (director). 2nd Row — Michael Callan, Rick Hennessy, George Barletti, Don Hushion. 3rd Row — George Cook, Bob Sheito, Bill Reynolds. 4th Row — Peter Monty, Andre Nicol, Ray Gagne, Peter Ganley.

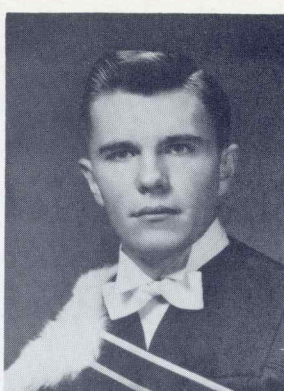

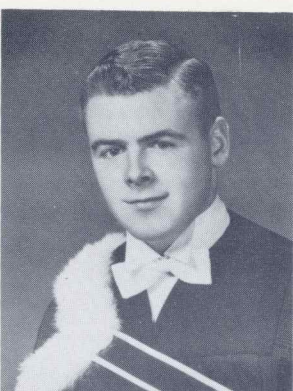

Loyola-Marianopolis

Bowling League

As usual, the Loyola-Marianopolis Bowling League enjoyed another successful year. Each Sunday evening, students of both colleges congregate at the Snowdon Bowling Alleys for a night's relaxation and enjoyment. In the pictures at the top of the page, are two of the contending teams for the league title. In the bottom left picture President Carl Ohlson is seen giving instructions to his Secretary-Treasurer Gene Carlisle while in the bottom right picture, Vice-president Sandra McDonald is shown checking the bowling averages.

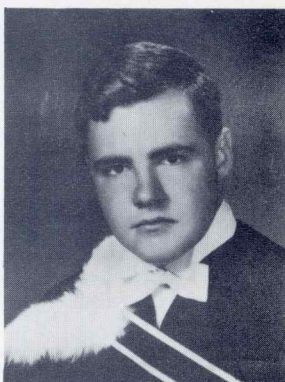

All Activity Winners.

One of the highest awards a student can win at Loyola is the All-Activity Letter. To merit this prize a student must obtain a total of 400 points, 200 of these points must come from athletics and 200 must be from non-athletics. This year a total of eight students were recipients of this award. Reading from top to bottom they are:—

Larry Boyle	— 1200 points.
John Little	— 1000 points.
John St. Onge	— 685 points.
Kevin Donovan	— 655 points.
Gord. McCarthy	— 645 points.

Our hockey and basketball teams, plus the skiing team competed in the Ottawa-St. Lawrence Valley Conference this past year. Pictured at the left is the Director of Athletics, Ed. Meagher. The executive of the L.C.A.A. is pictured at the bottom of the page. (L. to R.) Don Sauve, Tom Lane, Kev. Donovan and Larry Boyle.

Varsity Hockey

For the seventh time in eight years Bernie McCallum's Loyola Warriors successfully captured the Ottawa-St. Lawrence Valley Conference championship. At the top of the page, the Warriors pose for a group shot (L. to R.) 1st Row — J. St. Onge (Mgr), J. Froio, D. Preston, B. Moore, A. Forget, D. Belcourt, B. Beauregard, B. Gallery, T. Dingle. 2nd Row — G. McCarthy (Mgr.), R. Brisbois, E. Foley, J. Poirier, M. Labrosse, N. Nagy, J. Brisbois, R. Chisholm, S. Sutcliffe, L. Boyle (Mgr) B. McCallum (Coach).

At left in the top action shot, Buddy Moore tries to put the puck past the R.M.C. goaler as Bob Beauregard and Mike Furlong wait for the rebound. The bottom action shot shows Dave "Diesel" Belcourt checking an R.M.C. player. Goaler Andy Forget looks on.

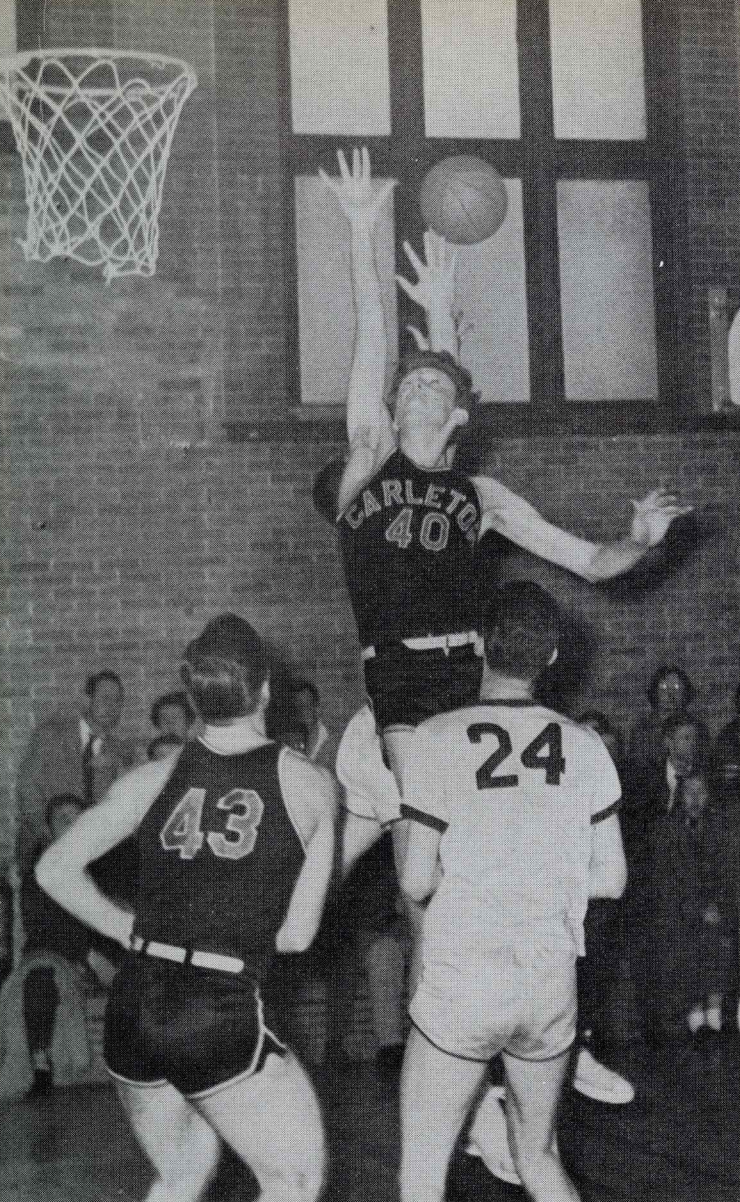

The top left picture shows Bernie McCallum checking the pre-game line-up before the R.M.C. game. Gord. McCarthy shows rookie manager Brian Sinclair the proper way to tape a stick in the top right picture. In the middle right view, a jubilant group of Warriors are shown in the dressing room after their 8-1 victory over R.M.C. (L. to R.) Ed. Foley, Dave Belcourt, Stu Sutcliffe, and Bob Beauregard. After winning the championship, Terry Dingle doesn't mind being told by "Bo" Gallery that his blind date would not be to his liking. However both "Bo" and Mike Furlong seem to like the idea. This action takes place in the bottom right picture.

Varsity Basketball

The Loyola Basketball team went all the way to the finals only to be beaten by Carleton College in a close game. On the opposite page, Gerry McQuade goes up high for the opening jump in the title tilt. Pictured above, is an unidentified Loyola player who is about to snare a rebound. Pictured below is a group portrait of the hoopsters. (L. to R.) Bob Shea, Fred Montelpare, Terry Stafford, "Boston" Gagnon, Al McAllister, Ed. Baltuonis, Bob Rumpf, Ernesto Vitiennes, Paul Noble, Gerry McQuade, John Ganley (Mgr), Ray Dionne (Mgr), Doug Potvin (Coach).

Varsity Skiing Varsity Curling

Loyola was also represented on the intercollegiate level in skiing and curling. On the opposite page is a picture of the Varsity Ski team. (L. to R.) Dave Scott, Peter Walsh, D'Arcy Coulson, Pierre Moreault, and Paul Levesque.

Shown below is a picture of the Varsity Curling team. The quartet was one of the two teams representing Loyola in the Intercollegiate Bonspiel held in conjunction with the Winter Carnival. (L. to R.) Brian Gallery, Larry Boyle, John St. Onge and Joe Poirier. Missing from the picture is substitute Terry Dingle.

Intramural Athletic Council

The Intramural Athletic Council, a subsidiary of the Loyola College Athletic Association, is set up to govern the intramural sports programme at the college. Each class has a representative on the Council, which irons out any disputes which might arise.

1956-57 was certainly a successful year in intramural athletics. Under the capable supervision of Don Whelan and Gord. McCarthy (pictured above) a great majority of the students participated in one sport or another. The champion classes in each sport are listed below.

FOOTBALL — SOPHOMORE SCIENCE
 HOCKEY — SOPHOMORE COMMERCE
 BASKETBALL — FRESHMAN SCIENCE
 BOWLING — SENIOR ARTS
 SWIMMING — SOPHOMORE SCIENCE
 CURLING — SENIOR ARTS

INTRAMURAL CLASS OF THE YEAR — SENIOR ARTS.

Intramural Football

Perhaps the most popular of all the intramural sports was touch football. Due to the lack of Varsity Football, the competition was extremely keen. In the top right action shot Brian Gallery and Paul Sauve of Senior Arts are seen ready to block out Kev McAllindon of Junior Commerce, in order to pave a clear path for fleet-footed Joe Peladeau. The middle right shot shows Carl Ohlson and Mike Gibbons of the championship Soph. Science team ready to close in on an unidentified Freshman Science ball carrier. The bottom right picture depicts Terry Dingle of Senior Arts, eating up yardage, as he tried to elude Tom "Porky" Lane of Junior Commerce.

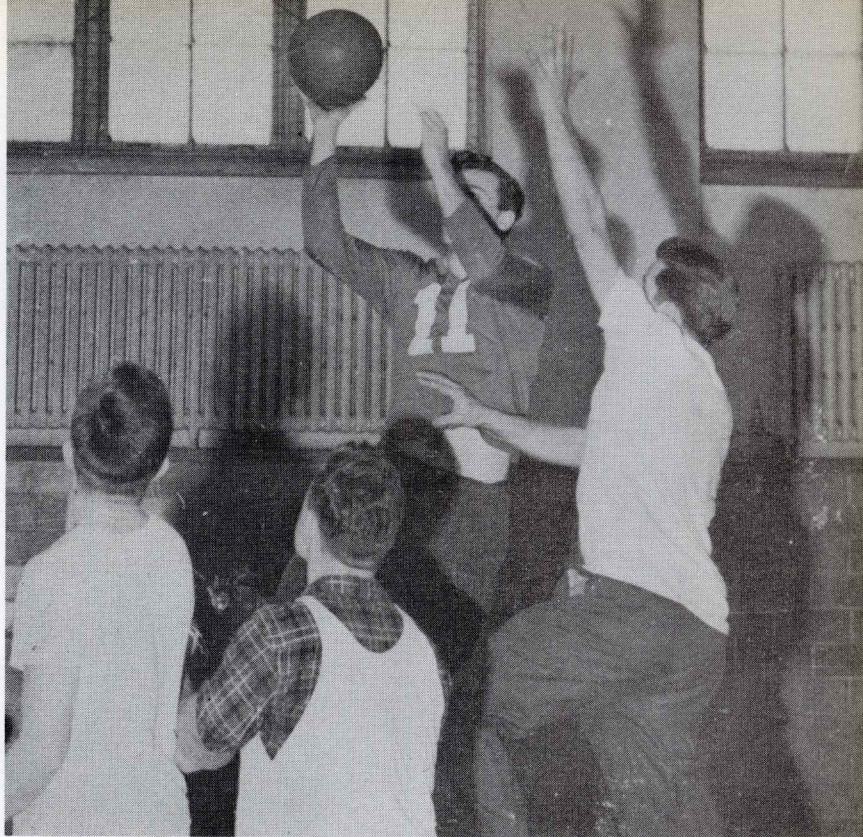

Intramural Hockey

A strong Sophomore Commerce sextet, led by Kenny Broden, walked away with the laurels by soundly trouncing the Senior League representatives. In the action pictures shown on this page, Junior Commerce and Senior Arts are seen battling it out. In the top picture, D'Arcy Coulson has just completed a pass-out from the corner. Goaltender Grant Beasley is ready to knock the rubber disc out of harm's way, while Tom Lane is ready to lend a helping hand.

In the bottom picture, in a game between the same two teams, goaler Beasley has just made a sensational save on John Little's shot. Defenceman Tom Lane is trying to take the puck out of the danger zone.

Intramural Basketball

Freshman Science provided somewhat of an upset when they downed the defending champion Senior Arts team in a rugged two game total points series. The pictures to the right were taken during a regular league game between Junior Commerce and Senior Arts. In the top picture, Joe Peladeau is seen ready to propel a jump shot toward the basket. Joe Di Giovanni is attempting to block the shot. In the bottom picture, the high scoring forward of the Artsmen, Brian Gallery, has just completed tossing the ball towards the hoop. Commercemen Armand Villemaire and Kev. Larkin's efforts were in vain as the shot whisked through the cords.

Loyola
WINTER
Carnival

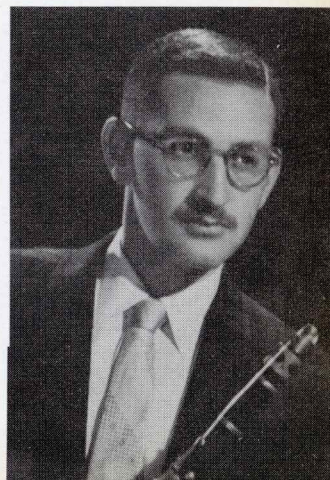

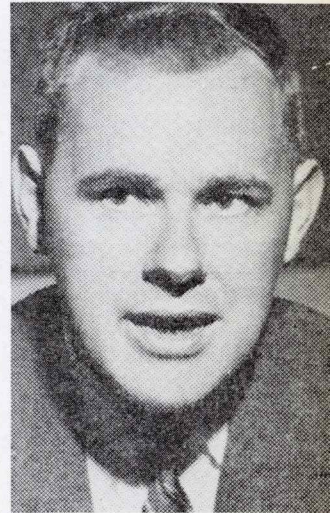

On the colored separator, opposite this page, one can see the type of colored posters that the Carnival Committee used to publicize its event. In the top picture, the executive of the Carnival pose for the camera. (L. to R.) Jean Marc Laporte, Secretary; John Lafave, Co-chairman; Louis Lapierre, Co-chairman; and Larry Boyle, Treasurer. The picture below shows three gentlemen checking the final proofs of the Carnival program. (L. to R.) Tom Dawson, Louis Lapierre, and Chuck Harwood, who was the Vice-chairman of the Carnival.

Many outstanding personalities were connected with the operation of the Carnival. Some of these people are pictured on this page. In the top left view, is Andy O'Brien, prominent Montreal sports columnist. Mr. O'Brien acted as the honorary chairman of the Carnival. In the bottom left shot, Moira Connelly is seen rehearsing for the Ice Show. The pretty girls standing in the background were among those who participated in the chorus line. Prominent radio and television personalities, Gord. Sinclair, Russ Taylor and Frank Heron acted as M.C's for the Variety afternoon and proved to be the mainstays behind this show. These three men are pictured at right reading from top to bottom. Highlight of the opening night was an informal "Dixieland Dance" held at the Chalet atop Mount Royal. Pictured at bottom right is Harry Garber who provided the music. On the opposite page on top Honorary Chairman Andy O'Brien is seen placing the winning ribbon on the Boarders' winning Ice Sculpture. In the bottom picture, the Moderator of the Carnival, Rev. Fr. Smeaton, S.J. is shown saying a few words to the crowd that gathered about the podium for the opening ceremonies.

One of the star attractions of the Carnival was the Variety Afternoon, held in the Auditorium. In the top picture, Al MacMillan (centre) is showing Ernesto Vitiennes and Carl Ohlson just how things are operated on the stage.

In the centre picture, John LaSalle is seen discussing arrangements with Maury Kaye and Ron Taddeo (centre). Taddeo went on to win the trophy for the best single act in the show. In the bottom view, Carl Ohlson, Maury Kaye, John LaSalle and Brian Gallery watch another one of the "talented Taddeos." This gentleman is Dominic Taddeo with the accordion.

The Carnival's final event, the Sno-ball, was held on Saturday night, in the Windsor Ballroom. Music was supplied by Eddy Alexander.

Included on this page are pictures taken at this dance.

The Forward Look

**is a symbol of achievement . . . and
a promise of great things to come**

Today, throughout Chrysler of Canada's *Forward Look* family, you find advancements so modern that many are still only drawing-board dreams to other manufacturers. Many of these advancements, such as push-button automatic transmission, Full-Time power steering, and Total-Contact brakes are relatively recent, and, of course, readily associated with the youthful, progressive spirit of The *Forward Look*.

But, did you know that the first four-wheel hydraulic brakes . . . first high-compression engines . . . first adjustable front seats . . . first safety-rim wheels . . . and a score of other notable automotive "firsts" have also been associated with this *Forward Look* spirit over

the past 30 years? And did you know that this same spirit has meant significant advances in truck engineering and industrial engineering as well?

There was no famous *Forward Look* name, or symbol for it, back in the earlier days of Chrysler of Canada's history. But the youthful spirit, the looking ahead, have always kept Chrysler in the forefront of progress. And we like to think that this same pioneering urge motivates all our young people as they move from the academic to the business world. For whatever our chosen occupations, it is this that promises great accomplishments for all of us, that means richer, more abundant living, in the years that lie ahead.

You're always a step ahead in cars of The Forward Look

"Oh, boy, this must be good . . . it's in a Continental Can!"

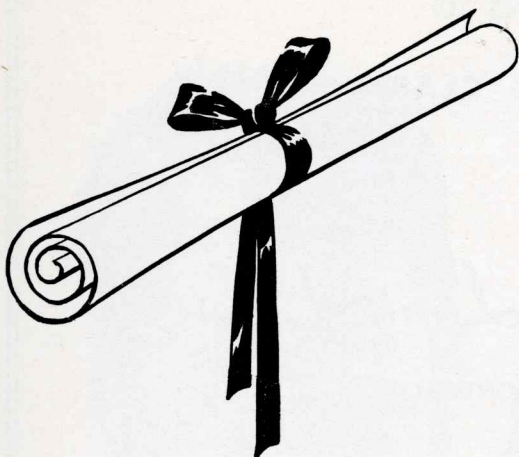

Yes, he'll probably find the contents well worth waiting for; the finest products of so many of Canada's leading packers are carried and protected in "CCC" cans. (Of course, there's just a slight possibility Rover is carrying something for himself; Continental cans protect the best dog foods, too!)

Ask us about the possibilities for *your* products of: "CCC" metal cans and drums . . . signs, display racks and specialties . . . paper cups and paper containers for milk, ice cream, cottage cheese and many other products. You'll find your nearest "CCC" office or representative listed in the yellow pages.
